

Lyric Music Theater's  
Children's Workshop Production of

A ten-week workshop for children

Directed by Jamie Swenson

Choreographed by Heather Stevens

Lyric Music Theater is proud to bring *Pure Imagination*, a brand-new revue featuring songs from across MTI's Broadway Junior® collection to Lyric Music Theater. From Broadway Junior musicals based on adored titles like *Seussical* and *Shrek The Musical* to Disney favorites like *Beauty and the Beast* and *Frozen*, *Pure Imagination* offers a fun introduction to musical revues. We will offer this production in weekly classes at Spotlight dance and culminate with week-long tech rehearsals adding lights, sound, and costumes and 3 performances on Lyric's stage. This production will be directed by Jamie Swenson and Heather Stevens who will coach students in singing techniques, dance training, and fully staged production numbers. This is a great opportunity for those who are new to musical theater or those who want to fine tune their craft.
